

Dear RISD Pre-College Students and Parents:

In the 2023 summer session, E&R – The Campus Laundry will once again provide laundry services and linen rental service to the RISD community.

There are certain realities about student life, in particular that cleaning rooms and doing laundry are put off for classes, clubs, and everything campus has to offer. In order to help students maintain as clean and hygienic a living environment as possible on campus, E&R offers an especially efficient and practical Wash/Dry/Fold plan. Further details are provided in the enclosed promotional materials.

Because this laundry plan is designed to allow students to make the most of their limited free time, I strongly recommend that you select the Wash/Dry/Fold plan. Here's why:

- ▶ Students with an E&R Laundry plan reduce utility consumption (such as water, gas, and electricity) on campus. **Although laundry equipment on campus is relatively efficient, it can't compare to E&R's state-of-the-art production facility.**
- ▶ There are a limited number of machines on campus for student use. The free time that students have to use them is limited as well. **E&R's laundry plans not only promote a clean and healthy room, they also allow students to make the most of their limited free time.**
- ▶ E&R uses **100% state-of-the-art and environmentally friendly cleaning methods.**

Over the years, E&R – The Campus Laundry has provided reliable and professional service to RISD students. As such, we encourage you to review the enclosed promotional materials, and let us help your student make the most of their time on campus.

Sincerely,
