

Art supplies and/or presentation materials are needed for every class in RISD Pre-College. You will be asked to buy course-specific supplies after the program begins and can expect to spend \$800 or more over the duration of the program. You will receive instructions via email two weeks prior to the program on how to access course-specific supply lists. Materials you'll need throughout the program are available at the [RISD Store](#) or the [RISD Store 3D](#). All RISD students receive a 10% discount and academic supplies are tax-exempt.
