

You will be asked to buy course-specific supplies prior to the first day of class, as well as additional supplies after classes begin; you can expect to spend \$800 or more over the duration of the program. **You will receive instructions via email two weeks prior to the program on how to access course-specific supply lists in Canvas.** Materials you'll need throughout the program are available at the [RISD Store](#) or the [RISD Store 3D](#) (the RISD Store 3D will have many of the required materials for Sculpture, Jewelry, Furniture and Ceramics majors). All RISD students receive a 10% discount and academic supplies are tax-exempt.

### REQUIRED BOOK:

[\*\*Line Color Form: The Language of Art and Design by Jesse Day\*\*](#)

This book is required for all students, and will be used in your Critical Studies in Art course. It can be pre-ordered from the [RISD Store](#); additional copies will be available for purchase on Check-In Day. We recommend purchasing a hard copy of the book, but if an e-book is preferred, this book is available at [Barnes and Noble](#).

### GENERAL SUPPLY LIST

The items in the supply list below are some of the most commonly used materials in *Drawing Foundations* and *Design Foundations*. You are free to bring any of these items that you may currently own, in order to reduce the cost of supplies purchased while at the program. ***This is not a comprehensive list of required materials for the program; complete supply lists for each course will be available two weeks prior to the program in Canvas.***
